10 Minute Intermission

Kyera,

From your first dance class to your last recital and everything in between, the last 15 years have flown by. We don't know where the time has gone. But we do know this;

You are an incredible dancer.

To see you up on that stage doing what you are passionate about and sharing your love of dance with the world and the next generation of dancers has been one of our greatest pleasures as your parents.

You are such an amazing human. We are beyond proud of who you have become. You are strong, beautiful, determined, loyal, smart, honest, a little sassy and above all, you are kind.

As your next stage of life begins, be confident in yourself and do not be afraid to chase your dreams and try new things. Always remember who you are and most importantly whatever you do in life, just be happy. We believe in you and will always be in your corner encouraging, supporting and cheering you on.

Love you always,

Mom and Dad

"Somewhere between then and now, dance classes went from once a week to every day, free nights turned into practice, cartwheels turned into ariels, single pirouettes turned into quads, "dance friends" became family and this "hobby" became pure love and passion. somewhere in between then and now you grew up."

Lilian

You have loved to dance your entire life and have developed into such a beautiful talent. You are an amazing person. I am so proud and look forward to everything that is still to come. Love you forever!

Mom

Kate,
We are so proud of you! You are a beacon of light! Keep being you!

Love,
Mom, Dad & Anna

Emma,
You danced into our hearts...
Keep dancing as you follow yours!

Love,
Mom & Dad, Mandy,
Kayla & Baylee, Alysa,
Kelli and Koty
